**BELLOW**

*by Kira Malko*

In the port of Honolulu, Polina is standing at the gangplank of a cruise ship. It will be her home for the coming six months, for this is the duration of the contract for Europeans. For Polina, searching for new places and trying to fit in is one of the ways to overcome her childhood psychological trauma caused by her permanently drunk and abusive father. She has always been different, and this feeling only intensifies once she realizes that the woman she left behind in Ukraine was her true love she always yearned for.

Polina is desperate. The reality overwhelms and suffocates like a thick dirty blanket. Insatiable passengers and cynical fellow staffers... The mockery of the five-star service... Jesting and idling... This consumption fair is taking place above the waterline, on Decks 4 to 19. What is happening below is a different story; dirty laundry and trash compartments, gossip and scandal, one-time relationships and uncontrollable lust.

Hawaii, Alaska, and Mexico, whales, dolphins, and snow-top mountains... A motley swirl of landscapes and passing faces dancing in her eyes, Polina is sucked into a whirlpool of alcohol, tears, and a thousand empty words.

Everything changes when she meets a peculiar passenger, a woman. What happens on the ship stays on the ship. But sometimes it means a new beginning.

A LITTLE SWALLOW FLEW IN
by Irene Rozdobudko

At the end of the 20th century, a strange resident with a difficult name, Leontovych, dies in one of the retirement homes in the US. Who is this man? He called himself a brother of the famous Ukrainian composer, the true author of ‘Shchedryk’, known throughout the world as ‘Carol of the Bells’. For many years, this beautiful carol was credited to someone else. How could it happen?

The Christmas carol ‘Shchedryk’ by the Ukrainian composer Mykola Leontovych premiered in Kyiv in 1916. After the 1917 Russian Revolution, Ukraine declared independence but lost the war with the Bolshevik Russia and thus was stuck with the Soviet regime for many decades. In 1921, Mykola Leontovych was murdered by a Soviet state security agent at his parents’ home under murky circumstances.

The author of A LITTLE SWALLOW FLEW IN invites the reader to discover the truth about the famous carol and advances a new theory of the mysterious assassination of the Ukrainian genius.

THE THIRD BOOTH IS LOS ANGELES
by Olena Zakharchenko

A family story spanning a century, from the Soviet invasion of Ukraine in early 1920s to date.

While hitchhiking in Germany, the protagonist of the novel, a young Ukrainian woman, enjoys a chance meeting with a young man, Roman, who stopped to give her a lift. In his car, she notices an embroidered shirt with a unique ornament—the same ornament adorned the burial shirt of her Uncle Maxim tortured to death in a Soviet jail after WWII.

As the family legend goes, everybody in the family had artistic skills but as soon as someone decided to become a painter s/he would meet tragic fate. Uncle Maxim draw the ornament, and his sister Lida embroidered the unique shirt for him and after his arrest sent it to jail. Shortly after, Lida was also arrested and sentenced to the Gulag but managed to survive the Siberian camps and shared the story with the protagonist of the book.

Back in Ukraine and firmly in love, the young couple gets married, and at the same time the protagonist starts unraveling the truth about her family, unlocking more and more secrets forbidden to discuss during the Soviet times and being uncovered in the archives in the recent years.

When writing her novel, Olena Zakharchenko used the archive materials she discovered while researching the tragic deaths of her own relatives. The 20th century history of Ukraine has way too many terrible pages; the Holodomor, WWII, the Nazi invasion, the after-war struggle of the Ukrainian Insurgent Army against the Soviet regime, the undercover war the KGB led against Ukrainians up until the dissolution of the USSR have all impacted every generation of every Ukrainian family scattered around the world.

Both the regular army and the volunteer battalions are locked in the Ilovaysk besiegement and are trying to get out through the “green corridor” that turns out to be a trap. A STROLL TO THE ZONE
by Markiyan Kamish

Almost 30 years ago, on the 26th of April 1986, an accident occurred at Chornobyl nuclear power plant (CNPP). Liquidators and firemen were able to prevent the worst from happening, but Chornobyl region still remains a forbidden land. As all taboos, it attracts adventurers who climb over the barbed wire in the middle of the night to wander waist-high deep through swamps to abandoned places. They spend weeks in Pripyat and are not afraid of wild animals anymore.

A Stroll to the Zone is the confession of an illegal Chornobyl tourist and stalker. It’s not just a simple instruction on how to get there and not just a shallow attempt to describe the subculture. It’s a tale for those who are always interested to see the other side of the story. It’s for those who long to feel the wraith of the forest at night and the coldness of gaping holes in the abandoned houses, to touch the swamps and see the red flashes of Pripyat’s sunrises, hear the speechless and dead silence of abandoned towns, and then be so happy about the homelike feeling, when a blanket and hot tea are more important than anything in the world.

Here you will find an inside look at illegal tourism into the Exclusion Zone, a unique territory of Ukrainian Polissya, existing for almost 30 years. The book will take its reader on a journey to the emerald world of Polissya, into a magical country of romantics and criminals, policemen and law violators.

The book is illustrated with photographs, many of which are unique since a lot of the Zone's significant landmarks have been destroyed in the fire of April 2015.

Kyiv-86
by Markiyan Kamish

After Chornobyl’s nuclear plant accident in 1986 a complete resettlement of Kyiv - Ukraine’s capital with a population of several million people - was quite possible. In his novel, “Kyiv-86”, the author has imagined how things might have turned out in this case.

30 years after the accident a stalker guide leads Japanese tourists to their goal - deserted Kyiv. Each tourist on the planet dreams to see it, but only a few dare to do so. The author paints a vivid picture of an abandoned city with decorations of its Communist past and depicts a clear image of battered buildings with quiet empty rooms, where moth grows on carpets and frogs bathe in puddles on the roof under young birches.

Kamysh doesn't mourn for this lost Kyiv. He doesn't focus too much on describing the characters’ adventures in estranged Kyiv, although the book's pages contain some action, but concentrates on the narrator's reflection instead. The author perceives the city as eternal perfection, like the perfect love that never grows old.

The text accentuates how close Ukrainian identity is with Chornobyl’s theme and reminds how close humanity is to the horror of world catastrophes.
